**May 16, 2018, Cambridge Emergency Communications, 39 Attendees; 24 Agencies**

**Welcome:** Christina Giacobbe, Exec Dir, Cambridge Emergency Communications

**Presentation:** Boston Area Peer Support Team – Critical Incident Stress Management and Peer Support for 911 Dispatchers

**NERAC:** Chris Ryan – COML Class, Wayland, June 4-8, 2018, priority to members; [nerac.us](http://nerac.us).

**SIEC:** Warren Gould, no report. Chris Ryan - SWIC ran meeting, nothing major to report.

**State 911:** Steve Hooke, 911 Commission Meeting

- Attempting to get Standards Committee back, ten members of the Commission/Subcommittee will review and report back to the Commission.
- Wireless Direct - 45 PSAP's online, 82 requests, most receiving Phase II Wireless, six expected to be added before June.
- Text to 911 – State has changed thinking from Text Centers, leaning towards PSAP's, like Wireless Direct, taking on texts, with an EMD component. Haven't rolled out, technology issues, waiting for a couple carriers. May be an opt-in like Wireless Direct. Outsourced EMD Resources will give instructions over the phone, will not transfer call, and stay with initial texter, no relay. More details to follow including Interpreter Services.
- FY19 S&I and Training Grants issued May 15, 2018, on the website. Some Training Grants cut, emailed Frank Pozniak regarding cuts. If reduction is an issue, apply for Supplemental Grant.
- Development Grant – Waiting for DTC approval for increase from 8 -15 million, Public Hearing on May 23, 2018, expansion of Wireless. Grants due yesterday at 5pm, considerably less applicants than in previous year.
- Leadership Grant - Certificate of Compliance forms on website; prior to approval forms must be completed.
- 911 Department having conversations with RapidSOS, looking at a contract for location information on calls; still in discussion phase.

Discussion - ALI Discrepancies don't always contain info from night before unless run in Decision Station. Permanent fix late summer, early fall. Log and track GDIT; hold GDIT accountable. Notification to Wireless Centers when a town's 911 goes down, especially for transfers, a statewide message should be sent. Phantom Wireless TTY calls; 911 was aware and addressed issue.

Did 911 Commission announce Verizon unable to dial 911? No acknowledgment, Steve Hooke spoke to Norm to notify PSAP's when there is a statewide issue; response pending.

## Committee Reports:

**Website** – Don Hancock – Upgrading website during summer, requests more contracts. Invoice for website hosting, a couple options, discounts for multi- year renewal for hosting agreement; Eboard discussion. Chris Campbell requested cost numbers from Warren Gould.

**Training** – Mary Ann McLaughlin – Working on March 2019 venue and speaker. Ann Camaro – Adam Timm and Nathan Lee possibly next summer, may have to wait a couple years, moving around the country. CT Session State 911 approved.

**Events** – Laura McGerigle, nothing new.

**Outreach** – Anne Camaro and Greg Lynskey posting on social media. FB to Twitter is not working correctly, text only working. Pics, Events, or links may not go through; reverse far less stable.

**Bylaws** – Volunteers needed for review and to make changes, as on all committees. Contact President or email Board.

In order for Bylaw changes to take effect July 1, 2018, issues must be brought up at the May meeting. Chris Campbell proposing the following:

The bylaw was modified last year relevant to any midterm elections; process already in place for any vacancies. Proposed language is as follows:

## Election Eligibility

Any individual of a member agency in current and good standing with the MCSA is eligible to hold an elected position within the MCSA.

Individuals desiring to run for an elected position with the MCSA must declare their intentions no later than the last regularly scheduled monthly meeting occurring prior to the annual meeting. Individuals shall declare the position they are seeking and shall indicate the agency they represent. Individuals, may, if they choose, provide a brief background about themselves and their candidacy. An individual need not be nominated to run for a position; they simply shall declare their candidacy.

The Executive Board shall generate a voting ballot containing the names of all candidates for each position that will be voted on at the annual meeting. This ballot shall be available and distributed in “specimen” format to all member agencies in current and good standing at least 3 weeks prior to the annual meeting to ensure member agencies are informed of the upcoming election.

Each member agency in current and good standing is entitled to complete one ballot at the annual meeting, regardless of the number of individuals present from said agency. A member agency in current and good standing who is unable to attend the annual election may request an absentee ballot from the MCSA. Said request shall be submitted to the President in writing not less than 2 weeks before the annual meeting. The completed absentee ballot must be received by the MCSA prior to the annual meeting in order to be counted in the results of the election.

Discussion - Current members of the Bylaw Committee include Chris, Don, Mary Ann, and Charlie. Proposals will be included in the minutes of this meeting. Candidate does not have to be present at June meeting. Candidate may be elected without knowledge; if not present member does not have to accept position. Nominations may be accepted from the floor if no candidate; filling vacant spot from floor. Per bylaws, position may be appointed until filled, then announced at next meeting, followed by an election. Paper ballots this year.

## Regional VP Reports

Anthony Fowler – Southeast Holbrook Regional hiring three full time and two part time dispatchers; Deputy Director’s position posted.

Mary Ann McLaughlin  
Acton PD  
Secretary

Erin Hastings – Chicopee regionalizing, expected to open July 1, 2019. East Long Meadow, Long Meadow and Hamden may be joining.

Warren Gould  
Boxford Communications

Paul Palonsky  
Ipswich PD  
Essex County VP’s

Greg Lynskey, Worcester - Lancaster FF died unexpectedly, MCSA put together a team from Gardner, Rutland, Ipswich and Worcester, covered two, eight hour blocks of coverage to Nashoba Valley; he was the son of a supervisor. Thanks to those that offered to assist. Laurie Lyons and Greg discussed to focus on a plan for single point of contact. There was some leniency from state 911, at least one APCO dispatcher. State 911 arranged temporary NG911 logons for that site. Plan presented moving forward. Melissa and Chris had a follow up discussion. SWIC is looking to integrate the whole TERT system under the COMU for the state. Discussed creating a roster and a bridge with Melissa; Mass TERT is a separate organization, lots of moving parts; a lot needs to be addressed and worked on. Operationally, 96 man hours provided, Nashoba employees stayed back; critical for local knowledge.
