## **Committee Reports:**

**Website:** Met with John Gilfoy company last month. Proposal given to do website and PR was high (\$13,000). This included a website re-design. Does not seem reasonable because of the numbers right now. Anne, Kevin and other members looking to put something together on their own. Email sent out to members for submission to contribute to the website. Call for anyone to give their input and contribute to this cause.

**Training:** Still working on training for March meeting. Narrowed it down to 5-6 choices. Date may be changed due to the availability of speakers.
