"This was the best training I've been to – every dispatcher should take it!"

No one 'gets' the life of the 9-1-1 Pro like a 9-1-1 Pro. When the combo of stress from work and home piles up, even the best and most seasoned dispatchers can struggle. And more and more of our PSAPs have experienced major traumatic experiences they just didn't know how to face. But what happens when you, as a PSAP family, are prepared to come alongside each other as you travel through these hardships? You can prevent burnout, improve morale, and help your peers feel encouraged and desire to stay on board. Who knows—you might even help save a fellow 9-1-1 Pro's life!
